eLearning English Language Arts Resources for South Carolina School Districts
## South Carolina Department of Education

Note: These tasks were designed to be used in virtual/non-virtual settings. Students have opportunities to choose from the choice board or the teacher/caregiver may select the tasks for students by cutting and pasting the tasks into their own district's learning management system. Regardless of delivery, teachers/caregivers should take time to talk about the task by asking questions such as, "Why did you choose the task?" "What does your response(s) mean?" and "Why does it matter?"
