	Move forward <u>1</u> space.				
363 Move back 1 space.				Move forward 2 spaces.	<b>7</b> Move back 1 space.
		<b>29</b> Move forward 3 spaces.		9 <u>9</u> 9 Move back 1 space.	525 Move forward 1 space
<u>5</u> 7 Move forward 4 spaces.		Move back Z spaces.		963 Move back 1 space.	Out of this world!
START			8 <u>6</u> 3 Move back 1 space.	7 <u>3</u> Move back 1 space.	FINISHI

## Instructions

Each player choose a number in your head between 1 and 10. The player with the largest number moves that number of spaces forward to start the game. Identify the value of the underlined digit. Then move the game piece.

Play alone or with a friend to see who get to the finish first. HAVE FUN!
