

Kindergarten Summer Enrichment, Week 4: Let's Shine and be Reflective Star!

Daily Routines

Every day, I will...

- Read one of the nursery rhymes.
- Read a favorite book for 20 minutes.
- Practice the -ar word family provided.
- Practice making the number 10 in different ways using the tens frame provided.
- Practice counting by ones on the number grid (1-100) provided.

Choice Board:

Every day, I will choose one activity in Reading and Writing, Math, AND a Choice Area.

Reading and Writing Choose <u>ONE</u> per day	Math Choose <u>ONE</u> per day	Choice Area Choose <u>ONE</u> per day
<p>Enjoy reading Star Light Star Bright in a printable or digital version: https://www.youtube.com/watch?v=IVve6TWrPSY (Be sure click the closed caption so you can see the words). You can shine bright like a star. Reflect, or think about, ways you shine. Make a list of the great things about you. Now color the picture of the nursery rhyme.</p>	<p>Find a pair of dice. Write down the two numbers you rolled. Now tell which number is greater than or less than.</p>	<p>Our theme this week is about being reflective, or thinking about something and shining like a star. Think about all the things you like about yourself: funny, caring, smart, beautiful, athletic. Draw a picture or make a book that is all about you and the qualities you like. Share it with someone in your family.</p>
<p>Enjoy reading Little Jack Horner in a printable or digital version: https://www.youtube.com/watch?v=G7iClw36DwM. At the end of the nursery rhyme Jack says, "What a good boy am I." Draw a picture of you doing something good. Describe your picture to a family member. Now, color your picture or the nursery rhyme picture.</p>	<p>Line up some of your favorite toys. Tell which one is taller and which one is shorter. How do you know?</p>	<p>Draw a picture of a star. Now list five exercises you are good at: jumping rope, jumping jacks, sit ups, push ups, etc. Now, practice those exercises.</p>
<p>Make a list of things you could do around the house to be good to your family: fold the laundry, wash the dishes, sweep the floor. Now, give the list to your family member and ask them which one of the chores can you do to help around the house.</p>	<p>Let's make a shape book. Each page will be a different shape. Cut out pictures from old magazines or papers of shapes you find and tape or glue into your book. Example: a picture of a tire might be cut out for the circle page.</p>	<p>There is a story called I like Me. It's about liking yourself no matter where you are or what you are doing. Watch here: https://www.youtube.com/watch?v=F2V5NzdRReU</p> <p>Use some sidewalk chalk to draw a picture of yourself on the side walk or somewhere fun outside.</p>

Pick one of the nursery rhymes from this week's choice board. Choose one of the characters and act out the rhyme. Did you shine bright like a star or were you a "good boy" like Jack?

Practice greater than/less than and shapes using these online games:
<https://www.youtube.com/watch?v=xGvRG6049wE>
<https://www.youtube.com/watch?v=svrkt hG2950>

There is a story about a little girl who looks at her reflection in the mirror. You can watch here:
<https://www.youtube.com/watch?v=D9O OXCu5XMg&feature=youtu.be>
Go look at yourself in the mirror. Use words to describe yourself: brave, funny, silly, energetic. What words can you think of? Tell those words to a family member.
