

The Baby Kangaroo

"My baby is a bright one," said the mother kangaroo. "With money in my pocket, he knows just what to do."

He counts the nickels all by fives. The dimes he counts by ten. And if they drop, he quickly picks them up and counts again.

Each time I give my son a coin he always hollers, "Thanks!" And when he's got a lot of them, He puts them in his bank!

One a Penny

One a penny, Two a penny,
Three a penny, More, Four
a penny, Five a penny,
That's a nickel more.

Six a penny, Seven a penny, Eight a
penny, More, Nine a penny, Ten a
penny, That's a dime for the store!

Penny, penny, Easily
spent. Copper brown and
worth one cent.

Nickel, nickel, Thick and fat.
You're worth five cents, I know
that.

Dime, dime, Little and
thin. I remember,
you're worth ten.

Quarter, quarter, big and bold.
You're worth twenty-five I am
told.

Money Rhymes

Twenty-five cents,
Money that rhymes,
Take one nickel Add
two dimes.

Three fat nickels, One thin
dime. Makes twenty-five cents
Every time.

Five fat nickels, No thin dimes.
Makes twenty-five cents Any
time.

The Dollar Song

(to the tune of "Ten Little Indians")

10 little, 20 little, 30 little pennies. 40 little, 50 little, 60
little pennies. 70 little, 80 little, 90 little pennies. 100
pennies make a dollar!

2 small, 4 small, 6 small nickels. 8 small, 10 small,
12 small nickels. 14 small, 16 small, 18 small
nickels. 20 nickels make a dollar!

1 tiny, 2 tiny, 3 tiny dimes. 4 tiny, 5 tiny,
6 tiny dimes. 7 tiny, 8 tiny, 9 tiny dimes.
10 dimes make a dollar!

1 big, 2 big, 3 big quarters. 4 big, 4 big,
4 big quarters. 1 big, 2 big, 3 big
quarters. 4 quarters make a dollar!

Money Rap

Author Unknown

Well, I know a song
It's really kind of funny
It's all about coins
And learnin' to count money.

Pennies, nickels, dimes, and quarters
Pennies, nickels, dimes, and quarters

Now a penny means one
And a nickel means five
Dimes are worth ten
And quarters twenty-five

Pennies, nickels, dimes, and quarters
Pennies, nickels, dimes, and quarters

Five pennies in a nickel
Two nickels in a dime
Five nickels in a quarter
You'll know it every time!

Pennies, nickels, dimes, and quarters
