

## Roll & Add 2-Digit Numbers

1. Roll 2 dice.
2. Record the digits in any order on the top of your problem.
3. Repeat for the bottom.
4. Add the 2, 2-digit numbers together.
5. Repeat for all 4 problems on the page.

\*\*\*If you do not have dice, fill in the boxes with any numbers (0-9). Then complete the problems.
