

Student Fluency Self-Reflection

Level 1: I am reading word-by-word. Sometimes I read 2 or 3 words together, but not often. I am not sure I understand what the author means. I am not reading like I talk. I read without expression.

Level 2: I read mostly in two-word phrases, and sometimes with three- or four-word phrases. Sometimes I read word-by-word. At times I do not understand what the author means. Sometimes I am not reading like I talk. I read some parts with expression.

Level 3: Most of the time I read in three- or four-word phrases. Mostly my reading sounds like I do when I talk. I read with expression most of the time. I understand what I am reading.

Level 4: I read in longer, meaningful phrases. I understand what I am reading. My reading sounds like I do when I talk. I use expression and am comfortable when I read out loud.

Title of Reading Selection: _____

Date	Fluency Score--Circle the number that shows how you did	Explain what you did well in your reading this time. What do you want to try or do better next time?
