

2nd grade ELA Summer Learning Support July

Dear Teachers,

Welcome to the South Carolina Department of Education 2nd grade ELA Summer Learning support materials. Throughout the month of July, we will be *Reading and Writing in the Great Outdoors!* Each week's exemplary lessons are set up to provide essential learning which follow specific learning progressions for your second graders. The lessons and resources are optional for summer learning. You may decide to use these materials explicitly or you may modify them based on student needs and your class' scope of learning. Please be sure students have a pencil and a journal or spiral notebook to use when responding to text and other activities.

Each of these integrated lessons support the following:

[South Carolina College and Career Ready 2nd grade "Essential" ELA Standards and Indicators](#)

[Table of Contents](#)

Week 1 "Meet the Veggies" [Books About Vegetables](#)

Week 2 "Life of a Plant"

Week 3 "Ruby-Throated Hummingbirds Make Awesome Nests"

Week 4 "Chicks and Chickens"

Shared Reading Information:
