Monday/Day 1

Videos and Activities

Math

Topic: Fractions-(Halves)

2.G.1: Students use their previously gained knowledge about attributes to now recognize and draw shapes having specified attributes.

2.G.3 Partition squares, rectangles and circles into two or four equal parts, and describe the parts using the words halves, fourths, a half of, and a fourth of. Understand that when partitioning a square, rectangle, or circle into two or four equal parts, the parts become smaller as the number of parts increases.

In today's lesson we will learn about halves.

Tasks:

1. Watch the Video Lesson
2. Read the Book
